# SILENCE EQUALS CONSENT

*the sin of omission*

Speak Now or Forever Lose Your Freedom!

## WHAT WILL HAPPEN NEXT?

How have godly people been persuaded to let ungodliness reign?

**President Eisenhower**, 1954: "This relationship between a spiritual faith ... and our form of government is ... obvious ... 'Man is endowed by his Creator' ... born in the image of God."

How were America's founders inspired by ancient Israel's "covenant" government?

Who came up with the idea that politics were worldly and "holy" people should withdraw? If the "holy" withdraw, who is left in charge?

Who began calling Christian patriots "Christian nationalists"? Do globalists hate nationalists?

**George Soros**: "The main obstacle to a stable and just world is the United States."

**Klaus Schwab**: "Acute crises contribute to boosting the power of the state." World Economic Forum, Agenda 2030 video: "You will own nothing and be happy."

The fate of the world hangs in the balance. Now YOU are key to turning things around. If you are silent regarding evils in your community, you are giving consent!

**Billy Graham**: "There is no doubt that nations come to an end when they have ceased to fulfill the function that God meant for them."

**Ben Franklin**: "Work as if you were to live 100 years; pray as if you were to die tomorrow."

**THE FUTURE DEPENDS  
ON YOU!**
